Testimonial for Ms. Marilyn Smyth

To whom it may concern

I was very impressed with Marilyn's robust approach, professionalism and efficiency when she was dealing with and conducting an appeal hearing for our company client. We received some great feedback from our client who was likewise very pleased with the way in which Marilyn handled the matter. The report that followed documenting the outcome of the appeal hearing was well written, covered all the important points and certainly made us feel confident in the entire process. I found Marilyn a pleasure to deal with and have no hesitation in recommending her services.

Yours faithfully
